Transferring Full & Partial Credits

- Full and partial credits must be issued by the district in which they were earned; therefore, the **TRANSFERING LEA** issues full and partial credits on an official transcript.
- A receiving district must request these credits within 2 days of student's enrollment, and a sending district must send the credit on a transcript within 2 days.

2

The Transcript

- Must have ALL FULL and PARTIAL credits earned.
- The credits and grades for each school are LISTED SEPARATELY so it is clear where they were earned.
- A complete record of the student's seat time, including both period attendance and days of enrollment.
- The new LEA shall transfer the credits and grades onto an official transcript. Credits accepted shall be added to the credits earned from a same or equivalent course for purposes of calculating total credits earned for the course but must still list credits separately so it is clear where the credits were earned.

3

Awarding Partial Credits

- Can award partial credits based on seat time, enrollment or both.
